ADDENDUM:

Note: The Home at 4901 Coral Rd. NLR, was discovered to have extensive termite damage.

Blackburn Development attempted to repair floors in bedrooms #1, and #2, the living room, and in the kitchen, at this time it was found out that the home was completely striped of all plumbing pipes and electric wires. Also once the floors were removed we found out that all the floor joists need replacing.

The home has to be level, concrete foundation poured all floor joist replaced throughout entire home. Once this is done, the wall studs must be replaced where damaged.

The home owner was given a bid of \$15,793.03, and \$2,250.00 for materials, to replace flooring. Both these amounts have been paid in full.

Blackburn Development was told by homeowner, he wasn't able to pull the building permit because the home had been slated by the City of NLR, and was told to seise and dices by this same body.

We could complete the above mentions repairs, in or between 90 to 180 days, in four phases, (see) New contract.

Note: Each item must be paid in full before any work would begin, ie; concrete foundation, fleor joists, plumbing, and electrical.

Sincerely.

AGREEMENT TO REHABILITATE PROPERTY

On this / day of 4/6, 20//, the City of North Little Rock (hereinafter the
"City") and Javis C Holen (hereinafter "Owner")
enter into this Agreement to Rehabilitate Property (hereinafter the "Agreement") regarding real
property located at the address commonly known as 490/ Co24/ (hereinafter the
"Subject Property") subject to the terms and conditions stated herein.

RECITALS

WHEREAS, the North Little Rock City Council considers the buildings, houses and other structures located at or on the Subject Property to constitute a public nuisance and declaring that said structures must be repaired in strict accordance with this Agreement or completely razed or removed within the timeframe provided in this Agreement in order to abate the nuisance; and

WHEREAS, the Owner has appeared before the City claiming to hold legal ownership of the Subject Property as well as all rights in the property necessary to construct, repair, or raze any and all structures on the property without further approval of any third party; and

WHEREAS, the Owner desires to cause repairs to the nuisance structures on the Subject Property, in lieu of razing or removing such structures, so that the structures will cease to be a nuisance and will otherwise conform to all requirements of the current Arkansas Fire Prevention Code and the North Little Rock Property Maintenance Code (hereinafter "Applicable Safety Regulations"); and

WHEREAS, the Owner has presented a feasible financial plan (attached hereto as Exhibit A) and a feasible construction plan (attached hereto as Exhibit B) to repair the nuisance structures on the Subject Property according to a strict timeline, and the willingness to immediately cooperate in the removal or razing of such structures should timely repair prove to be impossible, impractical or otherwise fail to occur; and

WHEREAS, the City has relied on representations by the Owner to forego the immediate razing of the nuisance structures and demands adequate assurances on the part of the Owner that the nuisance structures shall be repaired to become fully compliant with the law.

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. <u>Agreement Contingent on City Council Approval</u>. This Agreement is contingent upon the approval or adoption of this Agreement by Resolution of the North Little Rock City Council (hereinafter the "City Council"). All dates in this Agreement shall run from the date that the City Council approves or adopts this Agreement or the date signed by Owner, whichever is later, which shall be referred to herein as the "Effective Date."

EXHIBIT

- 2. Escrow. Within five (5) business days of approval of this Agreement by the City Council, the Owner shall deliver to the North Little Rock Director of Code Enforcement, a cashier's check, or the equivalent, in the amount of \$\frac{\sqrt{200.90}}{200.000}\$ ("Escrow"), such amount not exceeding a good faith estimate of the cost to raze the nuisance structures on the Subject Property, to be held by the City to assure performance by the Owner. Upon the Owner's timely and proper completion of all obligations under this Agreement, the City shall return the Escrow to the Owner, less any unpaid obligations owed to the City by the Owner which relate to the Subject Property, including without limitation: unpaid fees, administrative penalties, fines, and court costs. If necessary, the City may liquidate the Escrow to offset any and all actual costs directly attributable to the razing and removal of nuisance structures on the Subject Property ("Cost of Abatement"). If the Escrow exceeds the Cost of Abatement, all excess funds shall be returned to the Owner. If the Escrow is insufficient to pay for the Cost of Abatement, the Owner shall remain personally liable for the deficiency.
- 3. <u>Issuance of Building Permit</u>. Upon the Effective Date of this Agreement and request of the Owner, the City shall issue the Owner a building permit authorizing work on the Subject Property which shall be subject to the same costs, inspections, and approvals of all other building permits issued by the City. Neither the Building Permit, nor this Agreement, nor any provision found within either, the Building Permit or this Agreement shall be deemed to waive any requirement to fully comply with Applicable Safety Regulations. The Owner is hereby advised that the Applicable Safety Regulations are available for inspection at the Office of the North Little Rock City Clerk. As stated in paragraph 11, this Agreement is subject to appeal. If the Owner appeals this Agreement, the Building Permit shall immediately be suspended pending judicial review.
- 4. <u>Mandatory Time Benchmarks</u>. Due to the determination that the Subject Property constitutes a continuing nuisance, the owner is required to proceed continuously and expeditiously with repairs and construction that will abate the nuisance and otherwise cause the Subject Property to conform with the Applicable Regulations. The mandatory time benchmarks that are described below indicate the *minimum* level of performance required by the Owner to abate the nuisance. Any failure to meet any benchmark will result in the immediate razing of the nuisance structure without further notice or hearing. The Owner agrees to complete repair and construction as stated below:
- a. Sealing the Structure. Within forty-five (45) days of the Effective Date of this Agreement, the Owner shall have sufficiently proceeded with construction so that it is sealed from the elements and unauthorized traffic. For purposes of this Agreement, "sealed from the elements and unauthorized traffic" means that: (1) all walls have been properly raised and covered with material that prevents outside access to the interior of the structure and otherwise complies with Applicable Regulations; (2) all windows or window openings are covered; (3) all exterior doors are installed and comply with the Applicable Regulations; and (4) the roof is completely installed with shingles or other material that is suitable under the Applicable Regulations as a final covering. If the Owner fails to meet this deadline, the City is authorized to immediately liquidate the Escrow and raze the Subject Property.

- b. Rough-In. Within ninety (90) days of the Effective Date of this Agreement, the Owner shall have sufficiently proceeded with construction to pass Rough-In inspection. For purposes of this Agreement, "Rough-In" means that all equipment, fixtures, or materials of any type which support any structural, mechanical, plumbing, gas or electrical system or service that is located, or to be located, within the walls, beneath the floor, or above the ceiling has been properly installed in accordance with the Applicable Regulations. This deadline shall be extended one (1) day for each day after the Owner has submitted a written request for a Rough-In inspection and the date the inspection actually occurs. This deadline may also be extended by up to ten (10) days if the Building Inspector, in his sole discretion, determines that the Owner has made reasonable efforts to meet this deadline and failed inspection due to a minor infraction. If the Owner fails to meet this deadline after all permitted extensions have expired, the City is authorized to immediately liquidate the Escrow and raze the Subject Property.
- c. Exterior Covering and Windows. Within one hundred thirty-five (135) days of the Effective Date of this Agreement, the Owner shall have installed, or caused to be installed, all exterior covering and windows must be in accordance with the Applicable Regulations. If the Owner fails to meet this deadline, the City is authorized to immediately liquidate the Escrow and raze the Subject Property.
- d. Certificate of Occupancy. Within one hundred eighty (180) days of the Effective Date of this Agreement, the structure must qualify for a certificate of occupancy. This deadline shall be extended one (1) day for each day after the Owner has submitted a written request for a final inspection and the date the final inspection actually occurs. This deadline may also be extended by up to ten (10) days if the Building Inspector, in his sole discretion, determines that the Owner has made reasonable efforts to meet this deadline and failed inspection due to a minor infraction. If the Owner meets this deadline, the City shall return any and all Escrow funds and the Council shall pass a resolution declaring the Property to no longer be a nuisance (thus "uncondemning" the Subject Property). If the Owner fails to meet this deadline after all permitted extensions have expired, the City is authorized to immediately liquidate the Escrow and raze the Subject Property.
- 5. Adverse Weather Delays. The Owner may claim additional time to meet the deadlines described in paragraph 4 based upon any continuous period of delay based upon adverse weather. Such claim shall be: (a) in written form; (b) submitted to the Building Inspector within five (5) days of the end of the period of adverse weather claimed; (c) supported by data substantiating that weather conditions were abnormal for the period of time; and (d) supported by evidence substantiating that the weather conditions had an adverse effect on the scheduled construction or repair of the nuisance structures on the Subject Property. For purposes of this Agreement, weather conditions may be considered abnormal for a period of time when the precipitation is twenty percent (20%) greater than a ten (10) year historic average for the same period of time during previous years or when a catastrophic weather or environmental event has occurred, such as a tornado, earthquake, or 100 year flood. The Building Inspector shall render initial determinations on claims for adverse weather delays which may be appealed in accordance with Article 19 of the North Little Rock Zoning Ordinance.

- 6. <u>Delays for Appeals</u>. The Owner may claim additional time to meet the deadlines described in paragraph 4 based upon any continuous period of delay resulting from administrative or quasijudicial appeal. Such claim shall be: (a) in written form; (b) submitted to the Building Inspector within five (5) days of the end of the period of appeal claimed; (c) supported by evidence substantiating that the appeal had an adverse effect on the scheduled construction or repair of the nuisance structures on the Subject Property. The Building Inspector shall render initial determinations on claims for appeal delays which may be appealed in accordance with Article 19 of the North Little Rock Zoning Ordinance.
- 7. <u>Time is of the Essence</u>. All times and deadlines and permitted extensions indicated herein form a material basis of this agreement and may only be waived in writing signed by both parties. Any failure to timely enforce a deadline shall not be construed to waive that, or any other, deadline.
- 8. <u>Term and Termination</u>. This Agreement shall be effective from and after the Effective Date and continue in force until one of the following events occurs:
- a. The City has issued the Owner a certificate of occupancy for the Subject Property and all Escrow funds to which the Owner is entitled have been returned to the Owner by the City; or
 - b. The Subject Property has been razed and all debris has been removed, and
 - (1) Any excess Escrow funds to which the Owner is entitled have been returned to the Owner by the City; or
 - (2) If the Cost of Abatement incurred by the City exceeds the Escrow, the Owner has paid the City the difference between the Cost of Abatement and the Escrow.
- 9. Waiver. By executing this Agreement, the Owner hereby enters his appearance before the City Council in relation to all administrative or quasi-judicial proceedings pertaining to the Subject Property waiving all form, content and method of service of all notices and proceedings concerning the Subject Property which have been, are now, or will be before the City Council prior to or during the duration of this Agreement. The Owner acknowledges and knowingly accepts responsibility to be vigilant and aware of all City actions regarding the Subject Property throughout the duration of this Agreement which are publicly available at the following City offices: Code Enforcement, Community Planning, the Fire Department, and the City Clerk.
- 10. <u>Hold Harmless</u>. The Owner affirmatively states that he or she is the true owner of the Subject Property and all structures on the Subject Property where the work is to be performed, or that he or she acts with properly delegated authority from such true owner. The Owner agrees to indemnify, defend, and hold harmless the City from all claims by any person or entity claiming to be the true owner of the property and asserting any claim based in any part upon the same subject as this Agreement.
- 11. <u>Conditional Approval</u>. The approval of this Agreement by the City Council of North Little Rock constitutes a quasi-judicial determination by City Council to grant conditional approval and

partial relief to the owner of a public nuisance. The Owner acknowledges that by entering this Agreement, certain facts and findings are established relating to the nature of the Subject Property as a public nuisance and that those facts and findings may be detrimental to the Owner. If the Owner contests any fact or finding established by this Agreement, or all of them, the Owner is authorized by law to appeal this Agreement to a court of law in accordance with the Arkansas rules governing appeals from District Courts.

- 12. <u>Merger</u>. This document represents the entire agreement between the parties and incorporates all prior discussions and agreements. This document is *not* an agreement with any other governmental entity or waiver of any applicable federal, state, or county regulation.
